Cameron Lorentzon, CDSP

Cameron is a very valued and respected employee at Resourceful Futures. Cameron is 24 years old and was born and raised in Calgary. Prior to working in Community Disability Services, he worked at a Garden Center. Cameron was looking for a career with more responsibility, socialization and intrinsic reward. Cameron was also influenced to choose Community Disability Services as a career through his 2 brothers who also work in the disability services sector. Having worked in the Community Disability Services sector for the past 4 years, as a Community Disability Services Practitioner, Cameron has found his career of choice.

Volunteering is also a great part of Cameron's life; he has previously participated in a volunteer work project based out of a Mexican orphanage.

Cameron also enjoys camping, hiking, music and visiting with friends and family. His passion for music also influenced his work.

He leads a Monday afternoon class, in which clients choose the songs and participate along with him.

A compassionate, motivated and energetic individual, Cameron is always a positive inspiration to everyone he comes in contact with.

Cameron appreciates clients for who they are and understands his importance in contributing to their quality of life.

Cameron promotes a high level of community inclusion for all individuals he supports. He takes great pride focusing on individual empowerment and supports each client to explore their communities in ways that are meaningful to them, helping to fulfill their individual dreams, aspirations and desires.

"Happiness is Contagious, make the best of everyday" Cameron Lorentzon

Cameron is a great role model for clients and coworkers.
